2007 SUMMIT

Minneapolis, Minnesota

September 19-23

CORONARY HEALTH
IMPROVEMENT PROJECT

The Adventist CHIP Association warmly invites anyone with a passion for health ministry to join us in Minneapolis for the 8th Annual CHIP Summit, inspiring, equipping, and training leaders for CHIP, the Coronary Health Improvement Project.

Scientific Speakers

Keynote Speaker

Walter Willett, MD, DrPH

Renowned as a professor of Nutrition and Epidemiology at Harvard School of Public Health, Dr. Willett ranks as the most cited nutritionist worldwide and is among the five most cited authors in all fields of clinical science.

Henry Blackburn, MD

Serving as Professor at the University of Minnesota, Dr. Blackburn is well-known as a pioneer in the understanding and epidemiology of heart disease.

Jacqueline Chan, DrPH, MPH

On the faculty of Loma Linda University, School of Public Health, Dr. Chan is a Co-investigator of the Adventist Health Study.

Antonia Demas, PhD

Eminent Educator and Founder of the Food Studies Institute, Dr. Demas is well-known as the developer of the *Food is Elementary* Curriculum.

George Guthrie, MD, MPH

Dr. Guthrie focuses on Lifestyle Medicine as Assistant Director of the Family Practice Residency at Florida Hospital.

David R. Jacobs, PhD

As Mayo Professor of Public Health at the University of Minnesota, Dr. Jacobs has contributed to nutritional and behavioral epidemiology.

Neil Nedley, MD

With a background in Internal Medicine and Depression Recovery, Dr. Nedley is in high demand as a speaker and a bestselling author.

The clinical results of this 30-day, video-based, life-changing program have been published in eight peer-reviewed medical journals. CHIP addresses our health care crisis with scientifically sound, cost-effective and proven measures!

9 CEU credits for nurses pending. Contact Adventist CHIP Association for further details at 866-732-2447. Email: info@adventistCHIP.org
